March 6, 2020

Dear Rogers Ranch Families:

This is to inform you of changes that will take place within the Rogers Ranch administration starting next school year.

I will be moving to the district office in July to serve as Laveen's Assistant Superintendent of Human Resources. In my new role, I will be ensuring that we hire and retain the best possible staff to work with your students, including teachers who put students' needs first and are dedicated to outstanding student achievement.

The district has selected Mrs. Megan Hamburg to be Rogers Ranch's principal. Mrs. Hamburg is currently the assistant principal at Vista del Sur where she has been for the last four years. She is experienced in leading school-wide academic achievement and growth, building and sustaining positive school climate and culture, developing effective curriculum, and implementing restorative justice practices and positive behavior interventions and supports. In addition to her administrative work, Mrs. Hamburg was an instructional coach for four years and a classroom teacher for six years.

Ms. Asia Glover will remain as assistant principal for next school year when she returns from maternity leave in late August.

I am so proud of everything Rogers Ranch has accomplished in the last seven years. We have brought our student achievement to a highly performing level and have been recognized as an A+ School of Excellence. I am confident that under Mrs. Hamburg's leadership, Rogers Ranch will continue on this positive, successful path.

Sincerely,

Tim Thomas, Principal
