

THE MUSTANG ROUNDUP

News from Rogers Ranch School

November 2022

A Message from Mrs. Hamburgh

Happy November Rogers Ranch Families! These last couple months of the school year have flown by! As a Rogers Ranch staff we are beyond thankful for this amazing community that we have the privilege of serving.

Thank you for your continued support and dedication to our students. We were thrilled to learn that we have earned an "A" school rating as measured by the Department of Education. This is a reflection of the dedication and commitment of the staff, students and families at Rogers Ranch. We look forward to continuing to build on the "A" as it is evidence that shows the work we are doing is impacting our students social, emotional and academic success.

We wish all our families a wonderful and safe Thanksgiving. We will look forward to welcoming our students back on Monday, November 28th.

Calendar

\$1 Dress Down Friday's

Wednesday, December 21

Booster Club Meeting
Thursday, December 15
from 5:30-6:30pm
at Rogers Ranch

PBIS AT THE RANCH

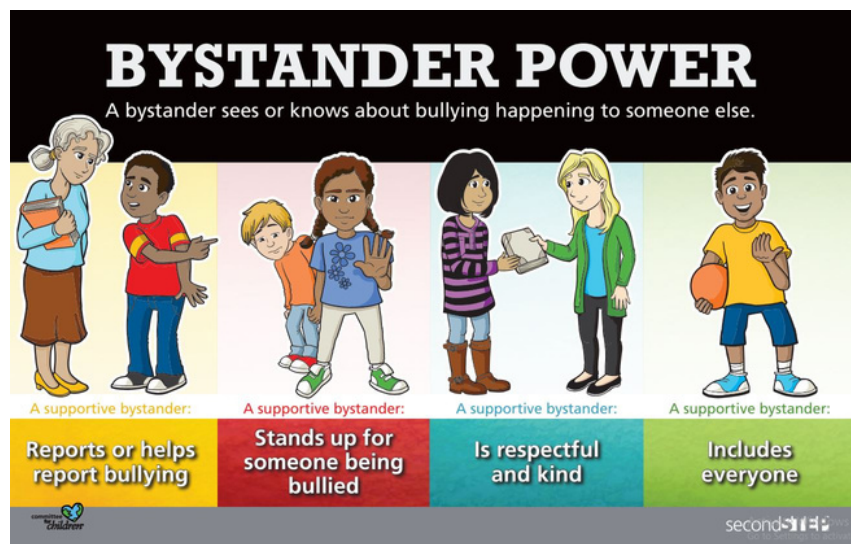

Our kindergarten through 5th grade students completed the Bullying Prevention unit from our Social-Emotional curriculum. We have seen an increased amount of students supporting each other and advocating for themselves. In this unit, students learned how to do the following:

- Recognize when bullying is happening
- Report bullying to a caring adult
- Refuse to let bullying happen to themselves or others
- Be a bystander who stands up and is part of the solution to bullying

Want to take a peek at the Second Step curriculum? Visit SecondStep.org with the activation key listed below to get information about what your child is learning in the Second Step program!

Kindergarten Code	BPUK FAMI LY00
1st Grade Code	BPUK FAMI LY01
2nd Grade Code	BPUK FAMI LY02
3rd Grade Code	BPUK FAMI LY03
4th Grade Code	BPUK FAMI LY04
5th Grade Code	BPUK FAMI LY05

Our 6th-8th grade students will continue this unit for the remainder of the 2nd quarter. The lessons will focus on how to recognize the social and environmental factors that can enable bullying and harassment, how to safely challenge these factors, and how to seek help if they or someone they know is being bullied or harassed.

STEM @ THE RANCH

Thank you for attending our first STEM night of the lego which was featuring LEGOS. It was wonderful to bring our community together! We look forward to hosting our next STEM night in February.

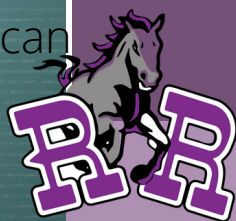

STEM Vision Statement

We prepare students to excel in STEM fields of study and succeed in 21st century careers as leaders and innovators.

Family/Community STEM Events

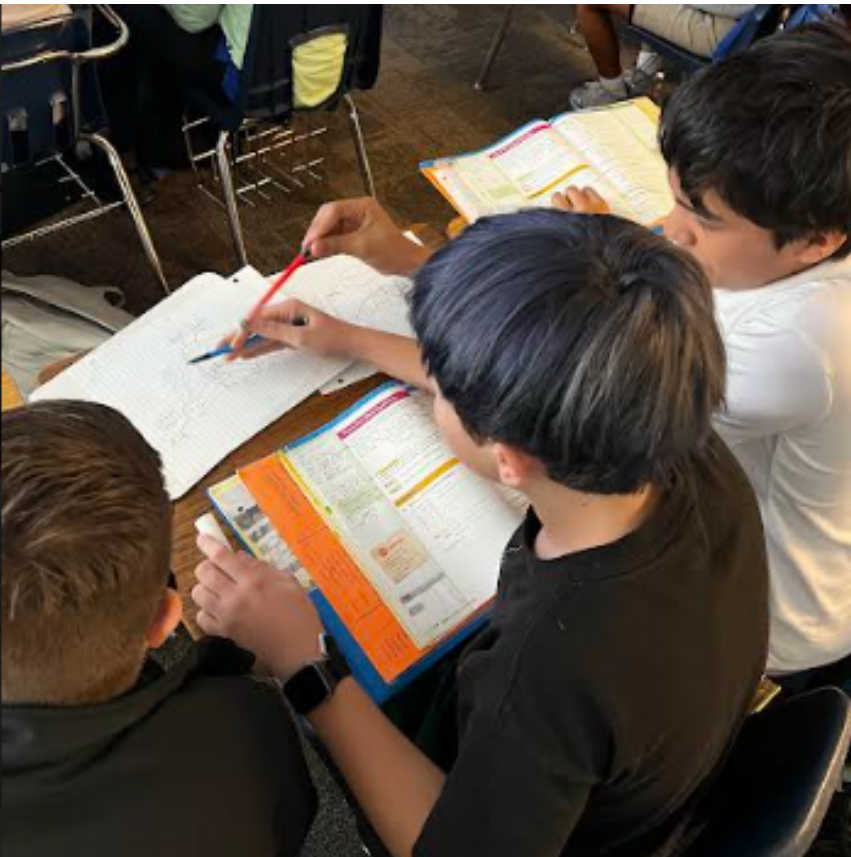

Mark your calendar for our STEM community events happening this year!

- February 2- STEM Career Day
- May 4- May the 4th Be With You- Centered on our community partnership with Vulcan Materials and presenting community project outcome.

Take a peak inside our classrooms

We have reader's! Our kinder teachers have been working hard to ensure our students have strong phonological awareness and phonics skills to build as a foundation as they become reader's. This month our kinder students have begun to partner read with their Spalding decodables. This is SO exciting to see and hear! Great job kindergarten!!!

The level of critical thinking, conceptual understanding, student engagement was HIGH in **Mr. Zermeno's** math class! Mr. Zermeno created intentional bellwork that aligned back to the lesson objective to engage the students to activate their prior knowledge when they first entered the classroom. The students also created a TRIPLE bubble map comparing and contrasting. The students built on each other's level of understanding during their student to student dialogue.
