

THE MUSTANG ROUNDUP

News from Rogers Ranch School

September 2023

A Message from Mrs. Hamburg

We are at the half way point for quarter 1! The first part of the year is flying by! We have so many things to celebrate but first and foremost I want to give a shoutout to the Rogers Ranch staff who daily supports our students in a variety of capacities. We truly have the best team in

Laveen. Their daily commitment and unwavering support is outstanding!

Thank you also to our families for partnering together with us to support our students! This truly makes a significant difference.

This month we are looking forward to our annual curriculum night which is being held on Wednesday, September 20 from 5-7pm. This is a great opportunity for you to hear first hand about what is happening on a daily basis within your student(s) classroom and how you can support from home. We are also having a competition between classes. The three classes with the highest participation will win a pizza party thanks to the Rogers Ranch Booster Club.

We hope to see you there!

PBIS AT THE RANCH

We are building leadership in our upper elementary and middle school students through our Mustang Mentor program. Every other half day an upper grade classroom is paired with a lower grade classroom to work together on important social emotional learning topics.

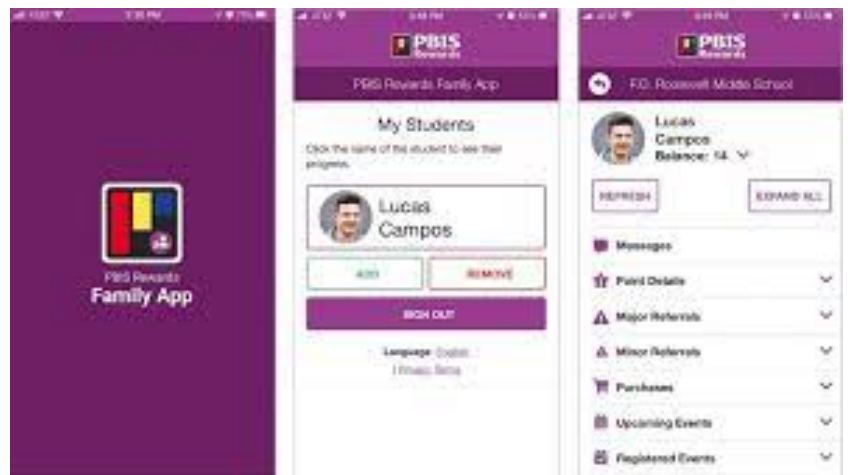

Our first meeting focused primarily on what is mean to ride with P.R.I.D.E and getting to know our mentor for the school year. We are excited to see relationships build and leaders to rise on our campus! Check out some amazing behind the scenes pictures from our first Mustang Mentor

This year we're teaming up with Playworks. They help schools create recess and play environments where every child can join in. With their support students will be provided with the right tools to solve conflicts and play cooperatively. We are excited for the impact Playworks will have on our unstructured times on campus!

PBIS Rewards

Be sure to sign up for the family app to see how your student is riding with P.R.I.D.E daily with our new behavior management system!

STEM @ THE RANCH

RRSA Governing Board Spotlight

On Thursday, September 14, Ms. Michelle Silva and an incredible group of Rogers Ranch students representing grades 2nd-8th, presented to the Laveen District Governing Board showcasing our Lego Robotics Club. The team did an exception job! Way to shine RRSA!!!

STEM Vision Statement

We prepare students to excel in STEM fields of study and succeed in 21st century careers as leaders and innovators.

Take a peak inside our classrooms

MS. FRAGOZO'S STUDENTS WERE USING VISUAL REPRESENTATIONS TO SHOW DIFFERENT WAYS TO REPRESENT A NUMBER UP TO 10. THEY HAD A WHOLE CIRCLE MAP OF STRATEGIES! THE STUDENTS COULD EXPLAIN THEIR WHY BEHIND THE ACTIVITY AND THEIR VISUAL MODEL. MS. FRAGOZO ALSO TOOK AN OPPORTUNITY TO WORK WITH A SMALL GROUP OF STUDENTS TO DIFFERENTIATE THE INSTRUCTION. THANK YOU MS. FRAGOZO FOR CREATING THESE INTENTIONAL LEARNING OPPORTUNITIES FOR YOUR STUDENTS!

MS. GRAYSON'S STUDENTS WERE ENGAGING IN THE PROBLEM OF THE DAY WHEN I WAS IN THE CLASSROOM. THE STUDENTS WERE USING MENTAL MATH TO SOLVE (NUMBER TALK) AND THEY ALL HAD DIFFERENT STRATEGIES USED TO SOLVE. THEY HAD INDEPENDENT THINK TIME, SHARED WITH A PARTNER, AND THEN AN IDENTIFIED GROUP GOT TO SHARE WHOLE GROUP. SUCH POWERFUL OPPORTUNITIES FOR STUDENTS TO TAKE OWNERSHIP OF THEIR LEARNING.

1st Student of the Month for the 23-24 school year! Love having the opportunity to celebrate our incredible students and their families!
